

Rationales for Practice Paper Responding to Text 6

Rationale for Response 1

Score: 3

- Response provides a clear and somewhat developed analysis of how one or more visual elements help to communicate an idea or create an impression.
 - *“The picture appears chaotic and angry because of the red in the background, which is normally used to express anger.”*
- Support for the analysis is logical and somewhat specific.
 - *“It feels chaotic because of all the miscellaneous items on the floor that look like they were just thrown on the ground for the fun of it.”*
 - *“The look in the guys eyes also shows a certain sense of desperation, and its kind of a crazed look.”*

Rationale for Response 2

Score: 2

- Response provides an undeveloped analysis of how one or more visual elements help to communicate an idea or create an impression.
 - *“The impression this image gives is that given the chance people will take what they can get their hands on . . .”*
- Support for the analysis is generalized.
 - *“. . . running out of Sears with stolen products in his hand . . .”*
 - *“. . . lifting his jersey to cover his face.”*
 - *“In the backgroud behing him there is a broken window with several other looters with hoods on their head stealing goods.”*
